Education

Software Engineering Technician (Diploma, In Progress)

Centennial College, Toronto, ON | 2024 – 2026

Key courses: Java programming, web application development, databases, cloud, and software design.

Biotechnology

Mohawk College, Hamilton, ON | 2016 – 2018

Studied lab techniques, data recording, and scientific communication.

Biological Sciences

University of Agriculture, Abeokuta, Nigeria | 2009 – 2013

Developed strong analytical, research, and critical-thinking skills.

Professional Experience

Technical Support Agent (Part-Time)

Dependable IT | 2018 – Present

- Provide phone and online technical support to customers, helping them resolve internet, device, and account issues.
- Explain technical concepts in simple language, ensuring customers feel supported and respected.

- Document calls and follow procedures to meet quality, accuracy, and time targets in a fast-paced environment.

Owner & Creative Lead

Triple Tee Fashion | 2018 – Present

- Design and curate African-inspired outfits, manage online listings, and interact with customers on social platforms.
- Coordinate photo shoots, product descriptions, and branding materials using digital tools and AI where appropriate.
- Manage orders, inventory, and schedules while balancing family, school, and part-time work.

Selected Projects

React Personal Portfolio Website

Built a single-page React portfolio with routing, a responsive navigation bar, projects, education, services, and contact form.

Triple Tee Fashion Digital Catalog (Concept)

Designed a simple product gallery layout and branding elements to showcase outfits and support online sales.

Inventory & PL/SQL Database Assignment

Created tables, relationships, and SQL/PLSQL scripts to manage products, stock levels, and basic reports.

Additional Information

- Strong interest in frontend and full-stack web development.
- Comfortable learning new tools and technologies independently.
- Enjoy mentoring and encouraging others, especially fellow students and parents balancing multiple responsibilities.
